

Henry Wise Wood Parents and Alumni Association
Vacant Role: PAA Chair

During our **AGM on Monday, October 26th**,
we will be electing a new executive.

At this time,
we are inviting parents/guardians to express interest in
the PAA Chair role

As Chair of the PAA,

you will help support learning and community at Henry Wise Wood by making funds available for the school wish list, as well as other spending approvals in accordance with School Council objectives and AGLC Use of Proceeds rules.

This role brings together parents, alumni, and community members providing students with additional opportunities, supplies and support.

You'll work closely with school partners and the SC executive team and help set PAA direction and keep momentum moving forward.

You don't need to do everything yourself—the role is about connection, coordination, and shared leadership and is supported by a Vice-Chair, Treasurer, Secretary, Casino Chair and Directors, including past executive members that are available to support you as needed.

Please reach out to paa.chair@wisewoodfamilies.ca
if there are any questions, or to express your interest
(also possible in person at the AGM on Monday, October 26th)
